Our Vision

A healthy planet and an equitable world that values and sustains the diversity of all life.

Our Mission

The Endangered Wildlife Trust is dedicated to conserving threatened species and ecosystems in southern Africa to the benefit of all people.

We fulfill our mission by:

- Initiating and implementing conservation research and action programmes;
- Preventing species extinctions and maintaining biodiversity and ecosystem functioning;
- Supporting sustainable natural resources and management;
- Communicating the principles of sustainable living and empowering people by capacity building, and awareness programmes to the broadest possible constituency; and
- Taking a strong leadership and advocacy role in promoting environmental and social justice.
